## PART 1 - ADJUSTMENTS BUDGET

## 1. Executive Mayors' Report

## Introduction

The municipality at is Council sitting on the $7^{\text {th }}$ February 2013, considered and approved its Mid-year Budget and Performance Assessment Report (Section 76). Following the recommendation of Council on the said report, it was deemed necessary to prepare an adjustment budget and it is hereby tabled for consideration and approval.

## Background

This adjustment budget is informed mainly due to the need:
(a) To provide for the unforeseen and unavoidable expenditure of $R 604,31$ million.
(b) To make funds available within the capital expenditure programme for maximum impact, as well as to accommodate approved rolled-over projects that were unspent at the end of the 2011/12 financial year.
(c) To adjust revenue upwards by R 484.89 million from the revenue sources that are likely not to materialise.
(d) To align the currently approved budget with the recent 2011/12 audit outcome in respect of the depreciation, interest on shareholders and intercompany loan agreements.
