**SUBJECT : REQUEST FOR APPROVAL FOR CLIMATE CHANGE
ADAPTATION AND MITIGATION STRATEGY FOR MMM**

1. PURPOSE:

This report is submitted to Council for the approval of the Climate Change Adaptation and Mitigation Strategy.

2. BACKGROUND:

At the Mayco meeting held on 08/11/2017 a decision was taken that this item is moved to council. Mangaung Metropolitan Municipality appointed Enviro-Tech on 21 December 2015 to prepare the Climate Change Adaptation and Mitigation Strategy for MMM in order to adapt their future planning in such a way to reduce the greenhouse gas emissions and to adapt to climate change impacts already being experienced.

3. LEGAL IMPLICATIONS

The South African Constitution (Act 108 of 1996) provides an overall legal framework for government's responses to the challenges of Climate Change and related problems, through promoting the protection of the environment for the benefit of present and future generations – ***Act now to preserve for tomorrow.***

4. FINANCIAL IMPLICATIONS

Not Applicable

5. RECOMMENDATION

Is recommended that:

5.1 The Climate Change Adaptation and Mitigation Strategy be approved by Council;

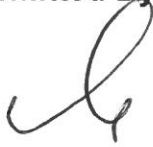

5.2 The projects, interventions and programmes contained in the Strategy be implemented by the various sectors to give effect to the Climate Change Adaptation and Mitigation Strategy;

5.3 The sub-directorate: Environmental Management, and more specifically the Climate Change Unit be the champions to oversee the implementation of the said programs, projects and interventions.

5.4 MMM in all its endeavours strives to become the most environmental friendly city in the country and world at large.

5.5 Environmental matters such as Climate Change and Air Quality, inter alia, be included in the IDP as key elements.
