RULE 38 QUESTION: ROAD SIGNS VAALBANK ZUID

Your letter dated 15 October 2020, with regards to the above-mentioned matter refers.

1. How much will the two boards cost the City?

- The question relates to the “Market” which determines the cost of the materials required.

2. What is the procurement process for buying the two boards?

- The Mangaung Supply Chain Policy is very explicit in outlining the procurement processes of any required goods and services of the City.

3. Does it take 10 months to make two boards available?

- The Engineering Services has embarked on acquiring assistance from Service Providers “Maintenance Contract” through SCM processes to improve the turnaround time addressing the backlog the City is inundated with.

Yours Faithfully
