Your letter dated 5 March 2021, with regards to the above-mentioned matter refers.

The project is financed by the Department of Environmental Affairs and forestry (National). It's a buy back centre. It was officially handed to Mangaung through a confirmation of transfer to the city manager on the 23rd of March 2021. The facility will undergo renovations (by DEFF) and through an Expression of interest process be handed over to the recyclers/ cooperatives. The city is currently not spending anything on it directly or indirectly.
