

Acting City Manager Sello More and Executive Mayor Cllr. Mxolisi Siyonzana

## CLLR SIYONZANA LEADS HIS FIRST SERVICE DELIVERY DRIVE

Executive Mayor, Cllr. Mxolisi Siyonzana led his first service delivery campaign in Ward 45 on Thursday, 16 September 2021. This is following the Mayor’s meeting with senior management, where he emphasised the importance of accelerating service delivery by ensuring that sewer spillages, waste and uninterrupted water supply issues are addressed with urgency.

The drive was aimed at addressing service delivery challenges in the area such as the removal of illegal dumping sites, patching potholes and clearing of stormwater drains.

Siyonzana said now is the time to act and ensure that residents have access to quality services. “The time for making speeches is over, we are acting on our promises and showing residents that

we are dedicated to addressing issues of cleanliness across the city,” said Siyonzana. He went on to say they have targeted parks in the area, to ensure that they are clean, and children have a safe space to play in. Siyonzana said the cleanliness of the city is his number one priority and he calls upon the residents of Mangaung to abandon the culture of littering.

Acting City Manager, Sello More said he is happy to see that the Solid Waste teams are there to ensure that the drive has maximum impact in ward 45. “Our teams know how the service delivery drive works and they know the priority areas. I would like for us to do our bit in ensuring that our city is clean and urge residents to refrain from illegal dumping because it poses a threat to their health,” said More.

Teams from waste management, roads and stormwater and traffic were on the streets intensifying service delivery in Ward 45
