Mme Rina

I received the attached email from the Speaker, very late. Kindly include the correspondence from Mr Maine to Tshoaro Ledibane. We will circulate that email to councillors on Tuesday at the meeting. But if possible include it in the link.

Thanks

Subject: Inclusion of Personnel in the Salary Bill

Dear TL,

This email serves to instruct you that since my appointment by Council on the 26 January 2022 as the Acting City Manager you are not allowed to implement anything that doesn't have signature for approval. We need to be cognizance of the ever increasing salary bill of the city but most importantly we need to adhere to the laws and regulations, notably Municipal Staff Regulations.

Regards

Teboho
