**MADAM SPEAKER  
COUNCIL ITEM**

**NOMINATIONS FOR SALGA FREE STATE PROVINCIAL WORKING GROUP  
MEMBERS**

**PURPOSE:**

The purpose of this memo is to appraise the Municipal Council on the nomination processes of council members to serve in various SALGA Free State Provincial Working Groups.

**DELIBERATIONS:**

We are members of the SALGA and Mangaung is the biggest municipality in the province, and therefore, expectation is very high regarding participation and contribution of Mangaung in the programs and activities of the association

SALGA's programs are driven through its working groups, whilst the National Executive Committee plays a crucial role in overseeing the overall activities of SALGA. The working groups act as the policy and strategic engine of the organisation and serve as an important platform for the communication and coordination between SALGA national, provinces and municipalities.

The main purpose of working groups is to encourage, ensure and promote local government matters which, include:

- Cooperative governance;
- Consultation and coordination; and
- Participative decision-making.

The working groups, within their derived mandate, must develop policies, strategies and programmes to address critical local government issues.

Working groups serve as a forum through which organized local government can consult on a political level in order to contribute towards the creation of democratic and economically viable local government.

**Nomination process:**

The nomination process for participation in the 14 working groups started during the month of May 2022, and proposed names are submitted to council for consideration and adoption.

There are two names per working group, first a member and secondly an alternate member, the purpose of the alternate, means a person appointed by the Council to act in the absence of member and has all the rights, responsibilities and obligations.

A total of 28 Councillors to serve and fully participate in this SALGA Free State Working Group is submitted and we further propose that a Hybrid System for meetings and engagements of working groups be instituted as some of the members will be from different municipal areas across the Free State Province.

**RECOMMENDATIONS:**

**It is hereby recommended it be resolved, that**

1. Mangaung Metro Municipality supports SALGA initiatives of establishing 14 working groups across the vast landscape of our Free State Province;
2. nominated names to serve in the Working Groups are submitted to Council for consideration and approval;
3. nominated Working Group members are accordingly requested to give their full cooperation and support towards the working group's activities;

**All Municipalities**

**To : Speakers**

**Cc : Mayors  
 Chief Whips  
 Municipal Managers**

**NOMINATION OF SALGA FREE STATE PROVINCIAL WORKING GROUP MEMBERS**

Municipalities are requested to submit names of two councillors, who will serve as members in each of the below stated SALGA provincial working group with relevant experience and/or potential (e.g. Member of Mayoral Committee ***(one nominated/designated member and one alternate member, who will attend working group meeting when the nominated member is not available)***).

1. Nominations should serve before a Council and become a Council Resolution
2. Nomination forms should be signed by Council Speakers

SALGA working groups develop policies, strategies and programme to address critical issues within the sector. They serve as a forum through which Organized Local Government can consult on a political level in order to contribute towards the creation of democratic and economically viable Local Government.

- NB:**
- a. Invitations for working group meetings will be send to the nominated councilor for attendance of the meeting and
  - b. In an event he/she cannot attend he/she must inform the alternate councilor to attend.
  - c. Only one councilor from the municipality should attend the meeting NOT both councilors
  - d. If both councilors are not able to attend then a written apology should be submitted
