Dear Councillor

RESPONSE TO RULE 38 QUESTION. MAINTENANCE OF SEWAGE INFRASTRUCTURE IN WARD 23, UNIVERSITAS EAST, UNIVERSITAS RIDGE AND PARKWES

Your letter dated 07 June 2022, received by e-mail regarding the above-mentioned matter refers.

Regarding all the questions posed, kindly be informed that MMM Engineering Services (ES) has appointed consultants (SMEC) to conduct a condition assessment for water and sewer maintenance purposes.

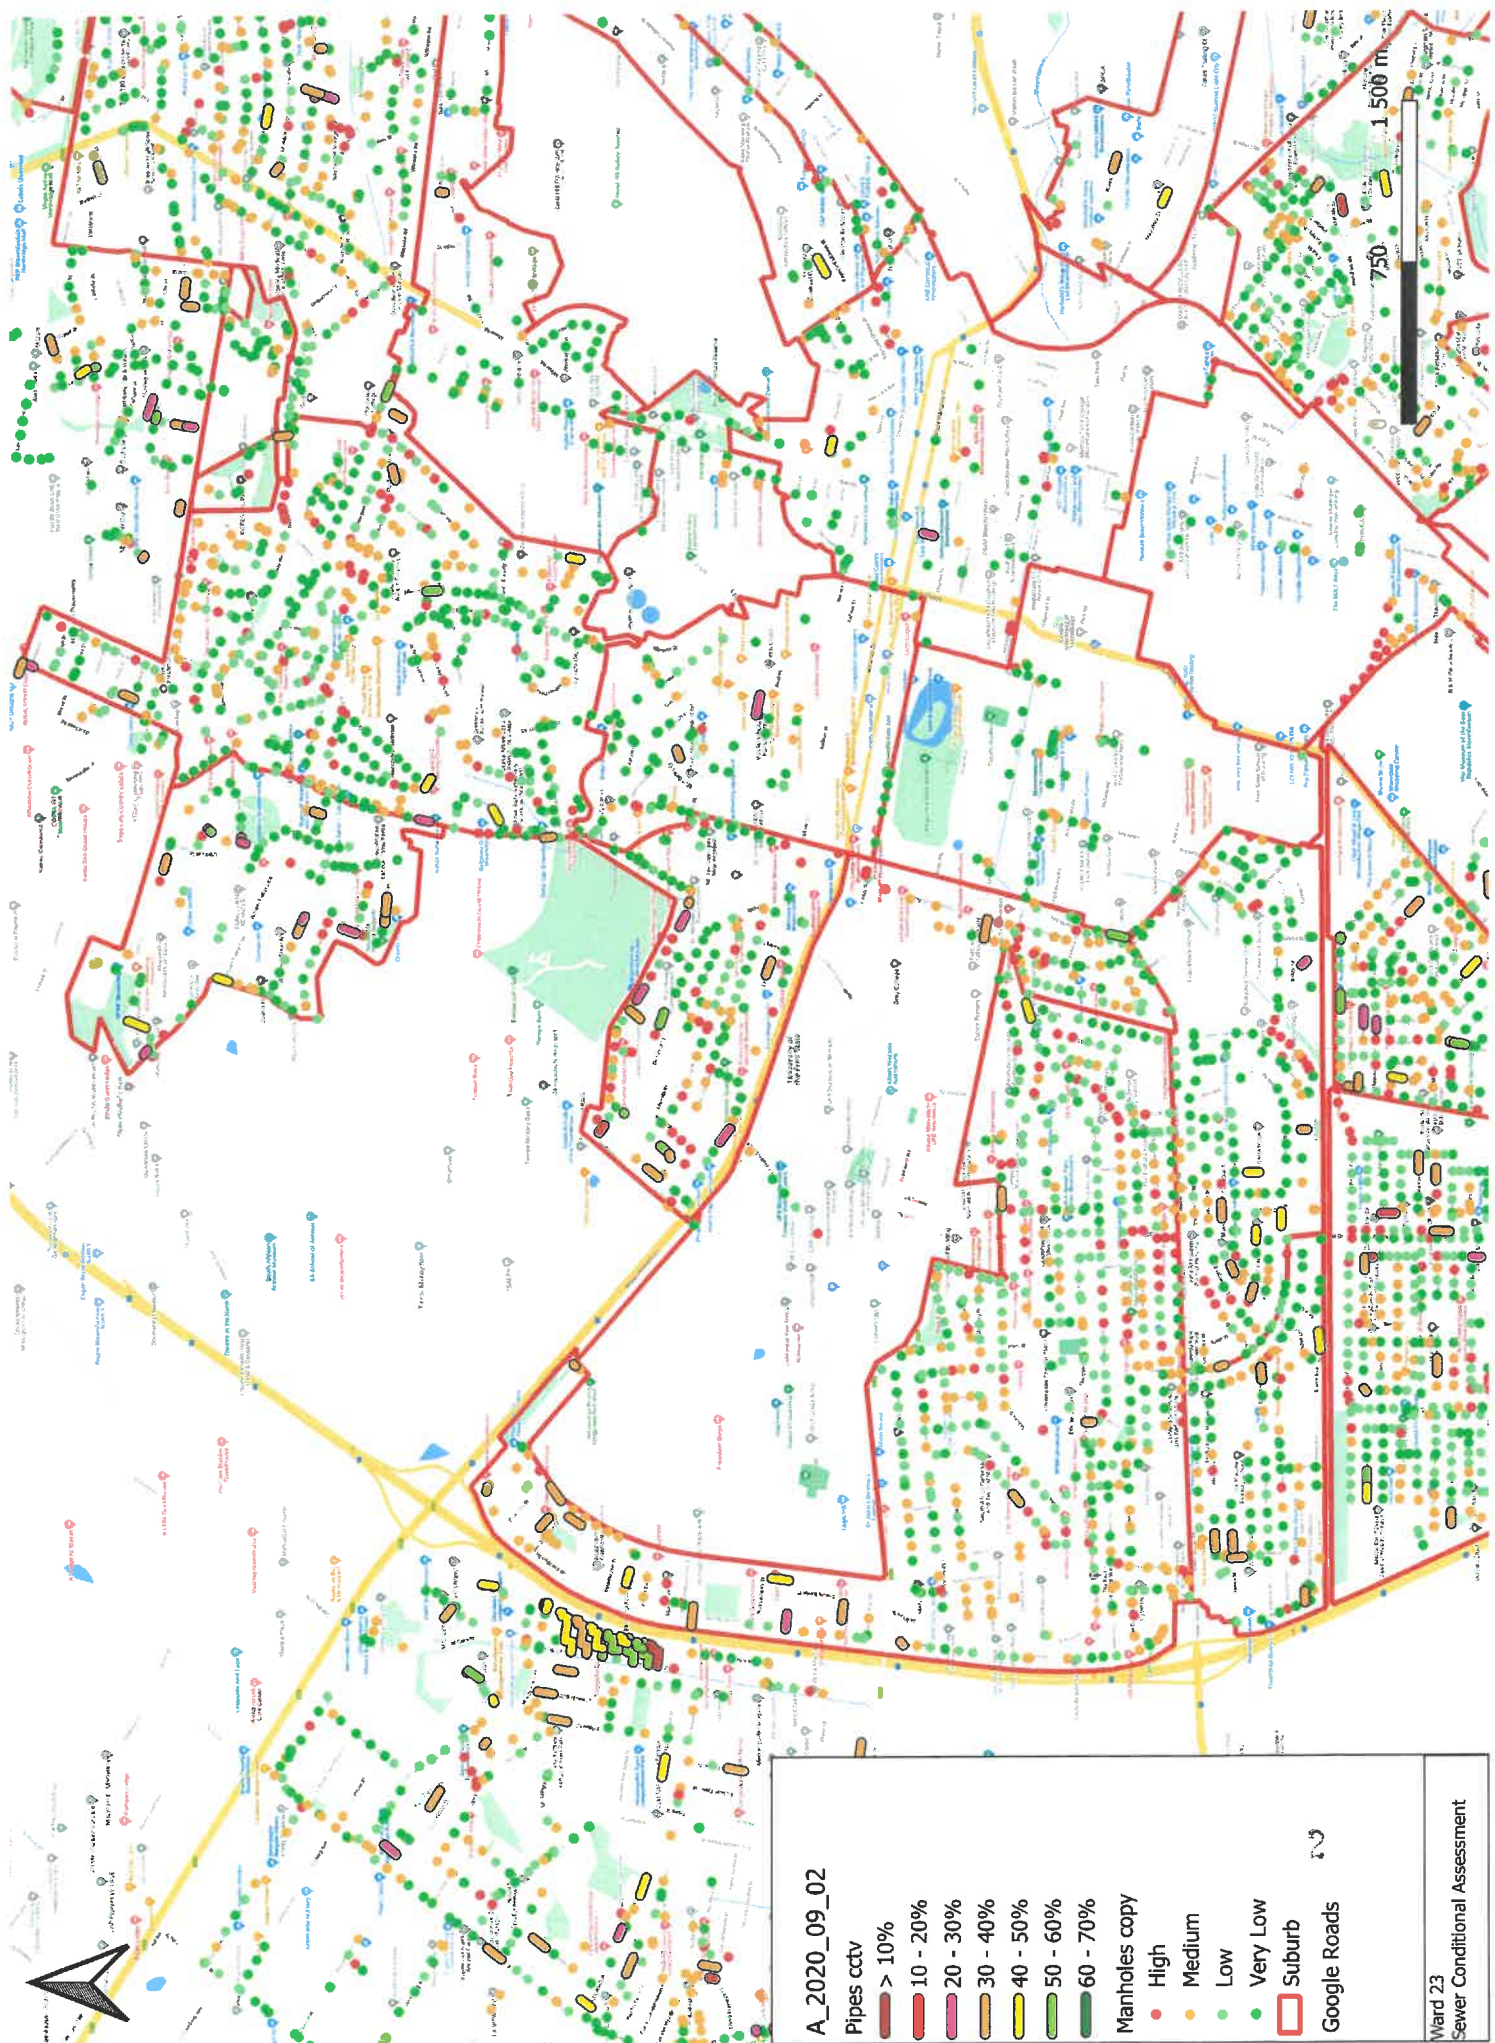

The Department has already received draft reports and plans.

Attached please find an excerpt drawing from the report regarding the sewer investigation in Ward 23. The colored spots in the drawing, red, yellow, light green and dark green refer to the physical examination that was done there and the problems that were experienced.

Red refers to serious problems in the sewer network and green, no problems. Once the final report, with recommendations is received, the Engineering Services, depending on the budget allocation, will be addressing the problems accordingly.

Yours faithfully

Tebogo Motlashuping
Acting City Manager
