ACCEPTANCE OF THE AGENDA

The Speaker thereon requested that item 197.2 on the election of the Council Whip was withdrawn.

Cllr JE Sebolao asked why was the SDBIP first quarter report not submitted as other Section 52 report (Finance reports) depended on the submission of the SDBIP.

The Executive Mayor responded that the report will be submitted at a later stage.

Councillors thereon raised their concerns and disappointment that the SDBIP report was not submitted and it felt like the Council was disorganised and that the administration should have ensured that all relevant reports were submitted and proper planning for the meeting undertaken.

Cllr BJ Viviers asked why was item 197.2 withdrawn?

The Executive Mayor thereon suggested that Council meeting be postponed for seven (7) days to include the SDBIP first quarter report.

Cllr NP Monyakoana asked why was Council putting the blame only on officials, and not full-time Councillors as they were appointed/elected to ensure that everything that comes to Council was properly submitted and that the Mayoral Committee must also explain.

Cllr JC Pretorius requested a 5 minutes DA caucus.

Cllr CL Kruger stated that it was important that the members of the Mayoral Committee (MMC) should also play their oversight role and Cllr NL Lecoko concurred.

Cllr S Sefaki requested that before postponing the meeting, they had to ensure that officials account for the collapse of the meeting and those Departments that had not submitted should be named.

The Speaker thereupon allowed the DA to caucus. After caucus, she made the following remarks and announcements:

- That it should be on record that the postponement was in preparation, to allow the five (5) Departments that did not report or partially reported, namely:
 - i. Economic and Rural Development – no report
 - ii. Engineering Services – partial reporting
 - iii. Planning – partial reporting
 - iv. Finance – partial
 - v. Corporate Services – not report
- That the following fully submitted their report: Waste and Fleet Management, Centlec, Human Settlement, Social Services and Metro Police Service.
- That what Councillors had alluded to on what did the MMC do when they noticed that the reports were not ready nor available for submission.

The Speaker further raised a concern that the Facebook recording of the last Council meeting disappeared from the archives and requested the following to be addressed

- Why was no livestreaming if the order was issued out?
- That a report on this matter from SCM Unit be submitted.
- That consequence management be followed.

Cllr BJ Viviers gave a report back from the DA caucus as follows:

- That in terms of Municipal Structures Act, local government was based on three spheres: political arm, administration and community, if all three (3) were not in order then this would happen hence the notice of the meeting was not on newspapers, there was no livestreaming which therefore implied that the invite was not properly done.

6B

- That they concurred that the meeting be postponed to allow proper preparation for the meeting.
- That with regards to non-submission of Section 52d report, it was unacceptable and officials responsible should account on that.
- That explanation be provided on why the two (2) items were In Committee?
- That the Executive Mayor must accept the responsibility that Section 52d SDBIP report was late.

The Speaker indicated that for record, Councillors needed to vote on the postponement and that the Acting City Manager must ensure that NCR and Heads of Department attended the meeting.

It was thereupon *unanimously* resolved that the meeting be postponed and will resume within seven (7) days.
