We are constantly innovating – searching for smart solutions to current and emerging utility needs. We have a comprehensive portfolio of solutions to relieve the frustration of dealing with utility challenges, uniquely tailored to meet our customers' unique requirements.

We are investing in a sustainable future through our renewable energy solutions. For the South African market renewable energy sources, like solar energy, create security. Our pioneering team of engineers apply the latest technology to create renewable energy solutions for your business, solutions that drive revenue and reduce energy expenditure. As energy management is becoming a global concern, we are leading the way with our sophisticated solutions.

Therefore, I ask the following questions in terms of Rule 38 of the Standing Rules and Orders:

1. Is Jager currently registered as a service provider at the Mangaung Metro Municipality or Centlec?
2. If yes, please supply a list of services provided by Jager to the Mangaung Metro Municipality or Centlec?
3. Did Jager bid for any tenders published by the Mangaung Metro or Centlec?
4. If yes, please supply a list of tenders Jager applied for, and tenders granted to Jager after a bid was successful, as well as proof of publication of tenders?
5. Please supply the Service Level Agreements of all successful tendered bids.
6. Does Jager purchase prepaid electricity from Centlec for resale purposes?
7. If yes, what is the current tariff Jager pays for electricity from Centlec?

Looking forward in having a written reply as soon as possible or at our next council meeting.

Sincerely,

*D Kotze*
