### 6. EVALUATING PERFORMANCE

- 6.1 The Performance Plan (Annexure A) to this Agreement must sets out
  - a) the standards and procedures for evaluating the Employee's performance; and
  - b) the intervals for the evaluation of the **Employee**'s performance.
- 6.2 Despite the establishment of agreed intervals for evaluation, the **Employer** may in addition review the **Employee**'s performance at any stage during the validity of the agreement of Employment
- 6.3 Personal growth and development needs identified during any performance review discussion, as well as the actions and timeframes agreed to, must be documented in a Personal Development Plan which must be in a format substantially compliant to Annexure "B"
- 6.4 The **Employee**'s performance will be measured in terms of contributions to the goals and strategies set out in the **Employer**'s IDP.
- 6.5 The annual performance appraisal will involve:
  - i. An assessment of the achievement of results as outlined in the performance plan:
  - ii. An assessment of each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed
  - iii. A rating on the five-point scale for each Key Performance Area; and
  - iv. The use of the applicable assessment rating calculator to add the scores and calculate a final core.
- 6.6. The Core Management Criteria must be assessed -
- (a) according to the extent to which the specified standards have been met.
- (b) with an indicative rating on the five-point scale for each Criteria; and
- (d) using the applicable assessment rating calculator to add the scores and calculate a final score.

R

An overall rating is calculated by using the applicable assessment-rating calculator, which represents the outcome of the performance appraisal, provided that the performance assessment of the Employee will be used on the following rating scale for both Key Performance Indicators and Core Management Criteria

Level	Terminology	Description	Ra	ting			
	Turning,	•	1	2	3	4	
5	Outstanding	Performance far exceeds the standard expected of an employee at					
	performance	this level. The appraisal indicates that the Employee has achieved					
		above fully effective results against all performance criteria and					
		indicators as specified in the PA and Performance plan and					
		maintained this in all areas of responsibility throughout the year.					
4	Performance	Performance is significantly higher than the standard expected in					
	significantly	the job. The appraisal indicates that the Employee has achieved	-	-			
	above	above fully effective results against more than half of the					
	expectations	performance criteria and indicators and fully achieved all others					
		throughout the year.					
3	Fully effective	Performance fully meets the standards expected in all areas of the					
-		job. The appraisal indicates that the Employee has fully achieved					
		effective results against all significant performance criteria and					
		indicators as specified in the PA and Performance Plan.					
2	Not fully	Performance is below the standard required for the job in key					
	effective	areas. Performance meets some of the standards expected for the					
		job. The review/assessment indicates that the employee has					
		achieved below fully effective results against more than half the					
		key performance criteria and indicators as specified in the PA and					
		Performance Plan.					
1	Unacceptable	Performance does not meet the standard expected for the job. The					
	performance	review/assessment indicates that the employee has achieved					
		below fully effective results against almost all of the performance					
		criteria and indicators as specified in the PA and Performance					
		Plan. The employee has failed to demonstrate the commitment or					
		ability to bring performance up to the level expected in the job					
		despite management efforts to encourage improvement.					

The performance of the Employee must be evaluated by an evaluation panel constituted in terms of regulation 27 (4)(e) and (f) of the Regulations.
