CHAPTER 2: INTRODUCTION, OBJECTIVES AND RESPONSIBILITIES

2. INTRODUCTION

- 2.1 Effective and efficient service delivery implementation requires the integration and co-existence of various systems and processes. One of these processes which require successful implementation in order to be effective is the supply chain management process as prescribed in section 110 of the **MFMA**
- 2.2 Section 111 of the MFMA requires that each municipality and municipal entity must have and implement a supply chain management policy.
- 2.3 The primary task of the Municipality's supply chain management system shall always be to find reliable, cost-effective service providers for the Municipality. B-BBEE companies will not be treated any differently from the norm with regard to quality, expected service delivery and technical performance. On the other hand, it is required that all personnel associated with the Municipality's supply chain management system must be made aware of this initiative and are expected to commit themselves to its implementation through good faith, efforts and appropriate purchasing procedures.
- 2.4 Section 217 of the Constitution of the Republic of South Africa requires an organ of state to contract for goods or services in accordance with a system which is fair, equitable, transparent, competitive and cost effective. This SCM Policy of the Municipality has been drawn up to give effect to these principles and the Preferential Procurement Legislation, and furthermore to comply with the provisions of the MFMA and regulations promulgated in terms thereof.
- 2.5 This policy is effective as from 1 July 2026.

3. OBJECTIVES AND APPLICABILITY OF THE SCM POLICY

3.1 Primary Objectives

- 3.1.1 The primary objectives of the SCM Policy are to:
- 3.1.1.1 Give effect to the provisions of the Constitution of the Republic of South Africa.
- 3.1.1.2 Give effect to the provisions of the MFMA.
- 3.1.1.3 Transform procurement and provisioning practices in the Municipality into an integrated supply chain management function.
- 3.1.1.4 Introduce a systematic approach for the appointment of consultants.
- 3.1.1.5 Create a common understanding and interpretation of the Municipality's preferential procurement policy objectives.

- 3.1.1.6 Make a significant improvement to supply chain management in the broader public sector.
- 3.1.1.7 Promote consistency in respect of the SCM Policy and other related policy initiatives in the Municipality.
- 3.1.1.8 Align with global trends and transformation and ensure that the Municipality adheres to international best practices.

3.2 Secondary objectives

- 3.2.1 The secondary objectives of the SCM Policy are to:
 - 3.2.1.1 To ensure that all procurements and disposals, as well as the appointment of PSP's, are done in the most effective, efficient and consistent manner.
 - 3.2.1.2 To ensure that all procurements and disposals, as well as the appointment of PSP's, is done in accordance with the prescribed processes.
 - 3.2.1.3 To ensure that expenditure on goods and services is incurred in terms of an approved budget in terms of section 15 of the MFMA.
 - 3.2.1.4 To ensure that any treasury guidelines on procurement management are properly taken into account.
 - 3.2.1.5 To demonstrate the Municipality's commitment towards the achievement of national government's broad based black economic empowerment goals.
 - 3.2.1.6 To facilitate the engagement of the Preferential Procurement Regulations in the supply chain management system.
 - 3.2.1.7 To promote equity, fairness and increased participation of local business in the Municipality's supply chain management system.
 - 3.2.1.8 To outline the processes in the Municipality for dealing with quotations and competitive bidding and the awarding of contracts.
 - 3.2.1.9 To enhance competitiveness.
 - 3.2.1.10 To facilitate creation of employment and business opportunities for the community with particular reference to the Preferential Procurement Regulations.
 - 3.2.1.11 To increase the Small Business Sector's access to procurement business opportunities created by the Municipality.
 - 3.2.1.12 To promote joint venture partnerships.

3.3 Applicability of the Policy

- 3.3.1 This Policy shall apply to the entire Municipality and must be strictly adhered to when:
 - 3.3.1.1 Procuring goods or services.
 - 3.3.1.2 Disposing of goods no longer needed; and

3.3.1.3 Selecting service providers other than in circumstances where Chapter 8 of the Systems Act applies.

3.3.2 Sub-paragraph 3.3.1 above does not apply when procuring goods and services under contracts secured by other organs of state under the circumstances contemplated in paragraph 16.6.

3.3.3 This policy is applicable to the procurement of goods or services for the zoo.

3.4 Review and Amendment of the Policy

3.4.1 The Municipal Manager must submit all subsequent amendments of this Policy to the Council for approval. Such amendments must be in line with the relevant Acts, Regulations as issued by National Treasury, and any National Treasury guidelines and circulars.

3.4.2 The Municipal Manager, through the Chief Financial Officer, must at least annually, or more frequently if required, review the implementation of this Policy to determine to what extent, if any, this Policy needs to be amended in order to remain relevant to changed circumstances.

3.4.3 When amending this Policy, the need for uniformity in supply chain practices, procedures and forms between organs of state in all spheres, particularly to promote accessibility of supply chain management systems for small business, must be taken into account.

3.4.4 The Municipal Manager shall in terms of section 62(1)(f)(iv) and section 115 of the MFMA, take all reasonable steps to ensure that the Municipality implements this, Policy.

16. COMPETITIVE BIDS

16.1 General

- 16.1.1 Goods or services above a transaction value of R750 000 (VAT included) must be procured through a competitive bidding process, save for the exceptional cases allowable by Treasury which includes services as contemplated in section 110(2) of the Act.

No requirement for goods or services above an estimated transaction value of R750 000 (VAT included) may deliberately be split into parts or items of lesser value merely for the sake of procuring the goods or services otherwise than through competitive bidding.

16.2 Process for procuring goods or services through competitive bidding process.

16.2.1 General

- 16.2.1.1 The SCM Sub-Directorate shall by notice published in the newspapers circulating in the municipality, municipality's website, municipal notice boards and tender publication portal, invite bids for procurements which involves or is likely to involve an estimated amount exceeding R750 000 (VAT included) or any such greater amount as may be determined by the municipality from time to time.

- 16.2.1.2 A case is regarded as the consolidated requirement of related items (items of a common commodity group, for example the grouping together of all stationery items), that exist at a given point in time. It should cover the total quantities and estimated value (VAT included) of all items concerned for the complete service or supply. Items appearing on the schedule of requirements for the complete service or supply, should not be split in order to reduce the value such that it becomes less than the threshold value for the invitation of competitive bids.

- 16.2.1.3 For large complex plants or projects of special nature, when it may be undesirable to compare complete detailed technical specifications in advance, the SCM Sub-Department may make use of a two-stage bidding process. Under the first stage un-priced technical proposals on the basis of conceptual design or performance specifications are invited, subject to technical as well as commercial clarifications and adjustments. The second stage should be the consideration of financial proposal for those who meet the technical evaluation criteria.

- 16.2.1.4 The Municipal Manager must ensure that the applicable regulations dealing with public-private partnerships have been adhered to before entering into any public-private partnership or part thereof.

- 16.2.1.5 The Municipal Manager may, on behalf of the Municipality, participate in any contract arranged by means of a competitive bidding process by any other organ of state, subject to meeting regulation 32 requirements of the supply chain management regulations and written approval of such organ of state as well as the written approval of the relevant contractor.

16.2.2 Specifications, Evaluation Criteria and Procedures

- 16.2.2.1 Bid documentation must be compiled in accordance with the general conditions of contract and supply chain management guidelines of the national treasury, and the prescripts of the Construction Industry Development Board, in the case of a bid relating to the construction industry.

- 16.2.2.2 Bid documents shall clearly indicate the terms and conditions of contract, specification criteria for evaluation and procedures to be followed where applicable, including the criteria prescribed in terms of the Preferential Procurement Policy Framework Act 5 of 2000.
- 16.2.2.3 The Municipality may decide to apply or not to apply functionality criteria for selected bids.
- 16.2.2.4 All supporting documents including reference letters and curriculum vitae of the professional team submitted for the purpose of claiming functionality points shall be verified before points are allocated.
- 16.2.2.5 The bid documentation must compel all bidders to declare any conflict-of-interest bidders may have in a specific bid and must prescribe that bidders must furnish their tax reference registration and identification numbers, where applicable.
- 16.2.2.6 Disputes shall be settled by means of mutual consultation, mediation (with or without legal presentation), or arbitration or when unsuccessful, in a South African court of law.
- 16.2.2.7 The specifications and evaluation criteria shall not be aimed at hampering competition, but rather to ensure fair, equitable, transparent, competitive, and cost-effective bidding, as well as the protection or advancement of persons, or categories of persons.
- 16.2.2.8 The specifications shall not mention trade names or processes of manufacture unless these are the only acceptable products. However, where the use of trade names, trademarks or origin is the only known way of accurately describing the products required, the words "or other equal and approved" shall be included in the specifications mentioned in the bid document.
- 16.2.2.9 Where the specifications are based on standard documents available to bidders, a reference to those documents is sufficient.
- 16.2.2.10 The General Manager: SCM / CFO in consultation with the Head of Department concerned may, if necessary, communicate with prospective bidders prior to bid closing in order to supply additional information or to clarify vague points in the bid documents (Addendum). Such communication shall be in the form of a prescribed notice and be issued at least 7 days prior to the bid closing date by the General Manager: supply chain management / appointed agent of the municipality.
- 16.2.2.11 The bid documentation must, if the value of the transaction is expected to exceed R10 million (VAT included), require bidders to furnish:
- (a) if required by law an audited financial statement for the past 3 (three) years or since the establishment if established during the past 3 (three) years.
 - (b) a certificate signed by the bidder certifying that the bidder has undisputed commitments for municipal services towards a municipality or other service provider in respect of which payment is overdue for more than 30 (thirty) days.
 - (c) particulars of any contracts awarded to the bidder by an organ of state during the past 5 (five) years, including particulars of any material non-compliance or dispute concerning the execution of such contract.
 - (d) a statement indicating whether any portion of the goods or services are expected to be sourced from outside the Republic of South Africa, and if so, what portion and whether any

portion of payment from the Municipality is expected to be transferred out of the Republic of South Africa.

16.2.2.10 All ICT related systems specifications should conform to MSCOA requirements. Systems procurement must be by the ICT department on behalf of a user directorate. User department should provide all user and requirement specifications that will be consolidated together with ICT technical specifications.

16.2.2.11 Draft transversal competitive bid specifications shall be circulated or shared to all directorates, through HODs for comments prior to submission and consideration by the Bid Specification Committee.

16.2.3 Invitation for competitive bids

16.2.3.1 The notice in the press, notice boards, website and or e-portal shall specify:

- (a) the nature of the proposed contract.
- (b) such particulars of the contract as the Municipality may deem fit.
- (c) that all bids for such contract shall be submitted in a sealed envelope which on the outside clearly states that such envelope contains a bid and the contract for which such bid is being submitted.
- (d) a day not less than 30 (thirty) days in the case of transactions over R10 million (VAT included), or which are of a long terms nature for more than three years, or not less than 14 (fourteen) days in any other case, being the closure date for submission of bids on which such bids must be received.
- (e) the place where such bids must be submitted and when such bids will be opened.
- (f) a statement that bids may only be submitted on the bid documentation provided by the Municipality.
- (g) if a bid has an option of or prescribes submission on electronic portal or link, then if the bidder submits a bid electronically by the closing time, such electronically submitted bid must supplemented by a sealed hard copy that must submitted within 24 hours from the time of bid closure.

16.2.3.2 The Accounting officer shall determine a closing date for the submission of bids which is less than the 30 (thirty) or 14 (fourteen) days as required, but only if such shorter period can be justified on the grounds of urgency or emergency or any exceptional case where it is impractical or impossible to follow the official procurement process.

16.2.3.3 the notice shall as soon as possible after the publication in the press, website or electronic portal be posted on all notice boards at designated Municipal offices.

16.2.3.4 all correspondence in regard to bid documents shall be addressed to the Municipal Manager.

16.2.3.5 Bid documentation shall be available for collection by prospective bidders during normal office hours, until the closing date of bids.

- 16.2.3.6 compulsory or non-compulsory physical or electronic based site inspections and tender briefing sessions may be required.
- 16.2.3.7 any notice issued prior to the closing of bids, shall be issued in accordance with the prescribed procedures. Posting of the original notice is however not required where the notice has been faxed or emailed to those concerned.
- 16.2.3.8 unless otherwise indicated in the bid documents, the Municipality shall not be liable for any expenses incurred in the preparation and submission of a bid.
- 16.2.3.9 Duty to plan for invitation of tenders.
- The Municipality must, prior to making an invitation for tenders:
- (a) properly plan for, and, as far as possible, accurately estimate the costs of, the provision of services or goods for which an invitation for tenders is to be made.
 - (b) determine the appropriate preference point system to be utilized in the evaluation of the tenders.
 - (c) determine the deliverables or performance indicators in terms of which a person awarded a contract will be assessed.

16.2.4 Two – stage bidding process

- 16.2.4.1 A two-stage bidding process is allowed for:
- (a) large complex projects.
 - (b) projects where it may be undesirable to prepare complete detailed technical specifications; and
 - (c) long term projects with a duration period exceeding three years.
- 16.2.4.2 In the first stage technical proposals on conceptual design or performance specifications should be invited, subject to technical as well as commercial clarifications and adjustments.
- 16.2.4.3 The second stage should be the consideration of financial proposal for those who meet the technical evaluation criteria.

16.2.5 Issuing of bid documentation

- 16.2.5.1 Bid documents and any subsequent notices shall only be issued by the SCM Sub-Department.
- 16.2.5.2 A non-refundable bid charge, as required in the bid notice, shall be charged by the Municipality for bid documents.
- 16.2.5.2 Details of all prospective bidders who have been issued with bid documents shall be recorded by the SCM Sub-Department. Such details shall include:
- (a) the legal and full name of the person/company/closed corporation/firm drawing documents.

- (b) a contact person.
- (c) a contact telephone number.
- (d) a contact fax number.
- (e) a postal address.
- (f) a physical address
- (g) an e-mail address; (if applicable)

16.2.5.4 Details recorded as required above shall remain confidential for the duration of the bid period.

16.2.6 Validity periods

16.2.6.1 The period for which bids are to remain valid and binding shall be indicated in the bid documents. The period is calculated from the closing date and bids shall remain in force and binding until the end of the final day of the period.

16.2.6.2 In the event that bid validity period is not stipulated in the bid document or advert, the validity period shall remain 90 days for procurement of construction related works and 120 days for procurement of any goods and services from the closing date of the bid.

16.2.6.3 Bids shall automatically be extended for period of 90 days for the procurement of construction related works and 120 days for procurement of any goods and services after expiry date of the original bid validity period unless the Municipality is notified in writing of anything to the contrary.

16.2.6.4 Bid validity period may be further extended by a period 90 days for procurement of construction related works and 120 days for procurement of any goods and services subject to mutual consent in writing between the Municipality (represented by the Manager: Demand and Acquisition Management / General Manager: Supply chain management) and the bidder(s). All bidders shall have an opportunity to extend such period.

16.2.7 Bid Prices and Price Adjustments

16.2.7.1 When a bid is invited, provision must be made for the possibility of price adjustments.

16.2.7.2 The price adjustment formulas as set out in the bidding documents shall apply for all contract periods exceeding one (1) year in duration.

16.2.7.3 In general, where contract periods do not exceed 1 (one) year in duration, the bid shall be a fixed price bid (not subject to contract price adjustment). However, if as a result of any extension of time granted, the duration of a fixed price contract exceeds 1 (one) year, the contract will automatically be subject to contract price adjustment acceptable to both parties for that period by which the extended contract period exceeds such one year. The contract price adjustment formula as set out in the bidding documents shall apply.

16.2.7.4 When bids are evaluated, it must be scrutinized thoroughly in cases where non-firm prices are quoted. If prices are subject to variation in the rate of exchange, the bidder must indicate the rate of exchange on which the bid price is based, as well as the amount to be remitted overseas.

- 16.2.7.5 Price adjustments will not be considered on firm price contracts. However, if the increased price was as a result of unforeseen circumstances beyond the control of the contractor and which could lead to his/her downfall, such application may be considered.
- 16.2.7.6 When prices are subject to adjustment as a result of escalation in the prices of labour and material, the bidder must indicate the various elements/factors of the bid price that will escalate (e.g., labour, transport, fuel, protective clothing, etc.) the base date and the relevant index and index numbers which were used in calculating the bid price.
- 16.2.7.7 When prices are based on a supplier's price list, a copy of the original price list on which the bid prices were based, must be enclosed with the bid document.
- 16.2.7.8 All applications for price adjustments must be thoroughly checked in order to ensure that it is in accordance with the terms and conditions of the contract, that all required documentary evidence is submitted and that the calculations are correct.

Price adjustment of non-firm prices subject to escalation

- 16.2.7.9 To ensure fair price adjustment, the bidder must give a breakdown of the price offered as well as the Consumer Price Index (CPI) indicators for each of the price factors that make up the price offered. Where it is not possible to obtain the index, figures linked to a specific factor, the average CPI index for that month must be used.
- 16.2.7.10 Price adjustments will only be allowed based on 85% of the original bid price that were offered. The remainder of the original bid price (15%) is seen as fixed costs and will therefore not be subject to price adjustments (MBD 3.2).

Price adjustment of non-firm prices subject to exchange variations

- 16.2.7.11 Exchange rate adjustments must either be done.
- (a) where a specific item is procured from overseas; or
 - (b) when a contract is signed over a specific period and it is agreed that exchange rate adjustments will be done throughout the contract period at specific dates.
- 6.2.7.12 In the case where specific item/goods are procured from overseas, and the price is linked with an exchange rate, it will be essential for the supplier to furnish the following particulars as part of their financial proposal in the MBD 3.2 form:
- (a) the financial institution they are banking with.
 - (b) the portion of the price that is subject to the rate of exchange.
 - (c) the amounts that will be remitted abroad; and
 - (d) the exchange rate valid when the bid price offered was calculated.
- 6.2.7.13 The bidder must give proof of payment that were made to the overseas supplier and what the exchange rate were when the payment was made and will form the basis of future adjustments.

Price adjustment not subject to an escalation formula

- 16.2.7.14 In cases where a contract is signed over a specific period and it is agreed that price adjustments will be done annually on the anniversary of the contract, the average Consumer Price Index (CPI) for the preceding 12 (twelve) months shall apply.
- 16.2.7.15 The following conditions shall apply for all price adjustment:
- (a) shall only be allowed at the periods and times as stipulated in the bidding documents and/or contract documents.
 - (b) shall not exceed the formulas as stipulated above.

(c) may not be implemented prior to the approval of the Municipal Manager.

(d) the Department concerned must have the available funds.

16.2.7.16 In the event that the increase is more than stipulated in the provisions given above, then the matter should be referred back to the Bid Adjudication Committee (BAC) through BEC for consideration.

16.2.8 Variation Orders

16.2.8.1 Variation orders must be properly controlled to avoid extending projects beyond the original intent.

16.2.8.2 Variation orders should be restricted to the absolute minimum through proper planning when inviting bids or quotations.

16.2.8.3 For construction related goods, services and or infrastructure projects may be varied by not more than 20% (vat inclusive) of the original value of the contract.

16.2.8.4 For all other goods and services may be varied by not more than 15% (vat inclusive) of the original value of the contract.

16.2.8.5 The contents of the above paragraph are not applicable to the transversal term contracts, arranged by the relevant treasuries on behalf of the municipalities and municipal entities and, specific term contracts, the latter referees to orders placed as and when commodities are requires at the time of awarding of a contract and required quantities were unknown.

16.2.8.6 The City Manager on recommendation from the relevant head of department, General Manager: Supply chain management and Chief Financial Officer shall approve variation orders.

16.2.9 Increase / expansion / extension in scope of Work

16.2.9.1 The Municipality has the right to increase the original scope of work by extending or modifying such scope of work after the conclusion of a contract without re-tendering, if:

(a) due to unforeseen circumstances, additional work becomes necessary in order to complete the project based on the original objective set out in the original bid document.

(b) for construction related goods, services and or infrastructure projects may be expanded by not more than 20% (vat inclusive) of the original value of the contract.

(c) for all other goods and services may be expanded by not more than 15% (vat inclusive) of the original value of the contract

(d) The contents of the above paragraph are not applicable to the transversal term contracts, arranged by the relevant treasuries on behalf of the municipalities and municipal entities and, specific term contracts, the latter referees to orders placed as and when commodities are requires at the time of awarding of a contract and required quantities were unknown.

(e) The City Manager on recommendation from the relevant head of department, General Manager: Supply chain management and Chief Financial Officer shall approve variation orders.

(f) the work is spread over a period that is more than 1 (one) financial year. After the initial bidding during the first year, the renewal of the contract for subsequent years. The Municipality must ensure that the implementation of projects are expedited without repeating the tendering process for a repetition of similar work forming part of a basic

project for which an initial contract was awarded using the bidding process. The Municipality shall indicate in the initial bid document that further contracts may be awarded through negotiation with a service provider appointed for the initial contract.

- (f) The above-mentioned report (d and e) shall clearly stipulate how the mistake had happened / occurred and how it was discovered and corrected.

16.2.16.2 Non-responsive bids

Bids that are non-responsive (i.e., technically unacceptable) and non-responsible (i.e., price very high or very low) will be disqualified.

(a) Non-responsive tenders

Bids that do not respond to any of the technical requirements of the scope of work or do not meet any of the technical specifications outlined in the enquiry document without clarification and acceptance by the person that issued the enquiry documents, will be disqualified.

(b) Non-responsible tenders

These refer to tenders with a price that is very high or very low and is therefore not considered a fair and acceptable market price as compared to the pre-determined / estimated price, compiled by the municipal officials / professional engineer or averaged corresponding market prices submitted by participating bidders.

A fair and acceptable market price or cost estimates are defined on the basis of the following factors:

- (vi) is the bid price substantially below or higher than that of other bidders?
- (vii) in repeat purchases, how does the bid price compare with recent contracts awarded for similar items or work, taking into account quantified, conditions, terms, and other important specifications?
- (viii) are there price indices available to determine the changes in labour and material costs?
- (ix) market research information to establish fair market price goods and serviced procured regularly.

- (x) the above is particularly important for the calculation of preference point system and the implementation of the price matching strategy.

16.2.17 Tax Compliance Status

1. As part of enhancing tax compliance, South African Revenue Services had introduced tax compliance status system, and the following shall be applicable:
 - a. all bidders shall be required to submit their bids together with the paper tax clearance certificate printed from tax compliance status system or
 - b. in addition, bidders shall also be required to submit together with the bid document a tax clearance certificate number and tax compliance status pin in order to verify the validity of the submitted paper tax clearance certificate.

16.2.18 Bid Sum

A bid will not necessarily be invalidated if the amount in words and the amount in figures do not correspond, in which case the amount in words shall be read out at the bid opening.

The corrected bid amount identified through arithmetic error correction process shall take precedence over the submitted bid amount on the form of offer subject that the same is accepted or confirmed by the preferred bidder.

16.2.19 Confidentiality of Rates and Proprietary Information

The Municipality shall comply with protection of personal information act (POPI Act) at all times, no personal information of any bidder shall be published without permission from the affected party.

All rates and proprietary information are confidential and shall not be disclosed.

16.2.20 Consideration and Acceptance of Bids

All quoted tariffs shall be considered.

16.2.21 Negotiations

16.2.21.1 The Municipal Manager may use the negotiation mechanism only in the following instances:

- (a) to negotiate the final terms of contracts with bidders identified as preferred bidders through a competitive bidding process, provided that such a process:
 - (i) does not allow the bidder concerned a second or unfair opportunity.
 - (ii) is not to the detriment of any other bidder; and
 - (v) does not lead to a higher price than the bid as submitted.
 - (vi) Minutes of such meeting shall be kept for record purposes.
- (b) when procuring goods and services from a single or sole supplier.
- (c) when annual price increases in respect of existing contracts are requested.

(d) when terms and conditions in respect of existing contracts require amendment.

- 16.2.21.1.2 The Municipality may accept prices received from bidders through competitive bidding process and advance / offer the said acceptable price to all bidders during negotiations, therefore such prices shall be regarded as acceptable municipal offer to the bidders. Minutes of such negotiations shall be kept for record purposes.
- 16.2.21.2 The Municipality shall not be obliged to accept the lowest or any bid. For goods and services, the Municipality shall have the right to accept the whole bid or part of a bid or any item or part of an item or accept more than one bid at any given time. The Municipality may increase or decrease number of appointable bidders from the initial indicated number, subject that reasons to do so are state and justifiable.
- 16.2.21.3 Bidding documents must provide for the rejection of all bids if and when deemed necessary. This is justified when there is lack of effective competition or bids are not substantially responsive, provided that lack of competition should not be determined solely on the basis of the number of bidders. If all bids were rejected, the Municipality must review the causes justifying the rejection and consider making revisions to the specific conditions of contract, design and specifications, scope of the contract, or a combination of these, before inviting new bids.
- 16.2.21.4 If rejection is due to lack of competition, wider advertising should be considered. If the rejection was due to most or all of the bids being non-responsive, new bids may be invited from the initially pre-qualified bidders with the agreement of the Municipal Manager, from only those that submitted bids in the first instance. All bids should not be rejected solely for the purpose of obtaining lower prices. If the lowest evaluated responsive bid exceeds the Municipality's pre-bid cost estimates by a substantial margin, the Municipality must investigate the causes for the excessive cost and consider requesting new bids as described above.
- 16.2.21.5 Alternatively, to paragraph 16.2.21.4, the Municipality may negotiate with the identified preferred bidder(s) to try to obtain a satisfactory contract through a reduction in the scope and/or a reallocation of risk and responsibility that can be reflected in a reduction of the contract price, provided that a substantial reduction in the scope or modification to the contract documents may require re-bidding. The Municipal Manager's prior approval must be obtained before rejecting all bids, soliciting new bids, or entering into negotiations with the identified preferred bidder. This approval should be recorded for auditing purposes.
- 16.2.21.6 The Municipality may, before bids are considered for acceptance examine and take into account the following, although not limited thereto:
- (a) the financial standing of a bidder, including his ability to furnish the required institutional guarantee, where applicable.
 - (b) the bidder's good standing with the Municipality from past experience.
 - (c) the bidder's ability to fulfill his obligations in terms of the bid documents.
- 16.2.21.7 The remaining acceptable bids shall be adjudicated according to the following as applicable:
- (a) bid price (corrected if applicable and brought to a comparative level where necessary).
 - (b) the unit rates and prices.

- (c) any qualifications to the bid.
- (d) the bid ranking obtained in respect of preferences set out in Chapter 4.
- (e) any other criteria specified in the bid documents.

16.2.21.8 Additional information or clarification of bids may be called for if required, by the Bid Evaluation Committee in writing.

16.2.21.9 The Municipality reserves the right to consider alternative bids, provided that a bid free of qualifications and strictly in accordance with the bid documents is also submitted. Alternative bids shall be submitted on separate complete sets of bid documents and shall be clearly marked "Alternative Bid" to distinguish it from the unqualified bid referred to above. The Municipality shall not be bound to consider alternative bids. If, after bids have been brought to a comparative level and are equal in all respects, the delegated authority shall in the presence of a witness, draw lots to decide the award.

16.2.21.10 If, after bids have been brought to a comparative level, two or more score equal total adjudication points, the successful bid should be the one scoring the highest number of preference points (specific goal).

16.2.21.11 Should two or more bids be equal in all respects, delegated authority shall in the presence of a witness draw lots to decide the awards or split 50 percent each where practical.

16.2.22 Request for withdrawal of a Bid

Where a bidder requests in writing, after the closing of bids prior to the evaluation and adjudication process, that the submitted bid be withdrawn, and such withdrawal shall be considered by the Bid Evaluation Committee and approved by the Bid Adjudication Committee.

16.2.23 Acceptance of a Bid

16.2.23.1 Once bids have been adjudicated upon in accordance with the bid committee system, the minutes of the Bid Adjudication Committee shall be submitted to the chairperson of the bid adjudication committee for approval.

16.2.23.2 Where a bid has been recommended for acceptance and is approved by the chief financial officer or municipal Manager depending on the delegations of powers, the successful bidder shall be notified thereof in writing as provided in Part 7 of Chapter 3.

16.2.23.3 In the event of it becoming necessary to cancel or re-advertise a bid, then a report to this effect shall be submitted to the Bid evaluation committee for consideration and approval by the bid adjudication committee.

16.2.23.4 No contract may be awarded to a service provider who has failed to comply with tax compliance status from the South African Revenue Service (SARS) certifying that the taxes of that service provider are in order or that suitable arrangements have been made with SARS.

16.2.23.5 No contract may be awarded to a service provider who has failed to submit a proof that municipal rates and taxes from the applicable Municipality certifying that the rates taxes of that service provider are not in arrears for more than order 90 days. or

16.2.23.6 No contract may be awarded to a service provider who has failed to submit a valid and acceptable lease / sub lease agreement validating that the bidder is conducting a business on the leased property.

16.2.24 Annual Bids

16.2.24.1 It is permissible to invite formal bids for the supply of goods and services for engineering and construction works that is of an ad-hoc or repetitive nature, for a predetermined period not exceeding 3 (three) years. It is also permissible to use the annual bids for procuring the services of consultants.

16.2.24.2 All such bids shall comply with the prescribed provisions in the SCM Policy in all respects.

16.2.24.3 Approval of a bid will not necessarily guarantee the service provider any business with the Municipality.

16.2.24.4 Annual bids shall be considered in terms of the prescribed adjudication procedures for bids.

16.2.24.5 Where different selections of items are required from the same bid and it is not possible or practical to split the orders, then the adjudication process will have to be carried out in respect of each application. Individual orders will then be placed (or contracts awarded) on the basis of the highest total adjudication points received per application.

16.2.24.6 Where the selected service provider in terms of the adjudication process followed, is unable to provide the required goods, services or construction works at the required time and confirms as much in writing, then the bidder with the next highest adjudication points may be selected.

16.2.24.7 The Departments shall be permitted to augment service provider on the list of appointed service provider(s) through competitive bidding process subject that such augmentation is concluded in twelve months before termination of the existing contract.

16.3 Deviation from and ratification of minor breaches of procurement processes

16.3.1 The Municipal Manager may:

- (a) Dispense with the official procurement processes established by the SCM Policy and procure required goods or services through any convenient process, which may include direct negotiations, but only:
 - (i) in an emergency.
 - (ii) if such goods or services are produced or available from a single provider only.
 - (iii) for the acquisition of special works of art or historical objects where specifications are difficult to compile.
 - (iv) acquisition, sale and exchange of zoological goods and services as contemplated in sub-paragraph 16.6; or
 - (v) in any other exceptional case where it is impractical or impossible to follow the official procurement processes.

(b) Ratify any minor breaches of the procurement processes by an employee or committee acting in terms of delegated powers or duties which are purely of a technical nature.

16.3.2 A Head of Department seeking the approval of the Municipal Manager in terms of sub-paragraph 16.3 for the deviation or ratification shall submit a written report detailing the reasons why the Municipal Manager should authorize a departure from the prescribed requirements to the General Manager: Supply Chain Management, who shall recommend to the Chief Financial Officer prior to the approval of the Municipal Manager. A report in terms of this sub-paragraph shall contain such information as the Municipal Manager may specify.

16.3.3 The Head of the Department shall comply with the documentation requirements that will accompany the deviation report to the General Manager: Supply Chain Management for recommendation to the Chief financial officer and consideration by the Municipal Manager, as such will be issued by the chief financial officer on time to time.

16.3.4 The Municipal Manager must record the reasons for any deviations in terms of sub-paragraphs 16.3.1(a) and (b) above and report to the next meeting of the Council and include it as a note to the annual financial statements.

16.3.5 Nobody may, in order to avoid compliance with any prescribed legislative requirements, split the procurement of any goods, services or the execution of work into lesser items or parts or enter into more than one contract. When determining transaction values, a requirement for goods or services consisting of different parts or items, must as far as possible be treated and dealt with as a single transaction.

16.3.6 The decision of the Municipal Manager in terms of paragraph 16.3.1 shall be final.

16.4 Procurement of Banking Services

16.4.1 A contract for the provision of banking services to the Municipality:

16.4.1.1 must be procured through a competitive bidding process.

Part 4: Disposal Management

19. DISPOSAL MANAGEMENT

- 19.1 **Introduction**
- 19.1.1 In accordance with the provisions of section 14(5) of the MFMA, the transfer of ownership of a capital asset of the Municipality must be fair, equitable transparent, competitive and consistent with this policy.
- 19.1.2 In compliance with the provisions of section 14(1) of the MFMA, the Municipality shall not transfer ownership as a result of a sale or other transaction, or otherwise permanently dispose of a capital asset that is needed to provide the minimum level of basic municipal services. The following eight municipal services are classified as basic municipal services for the purposes of section 14(1) of the MFMA, and this classification must be used by the administration as criteria to compile a List of all Municipal Land and Buildings:
 - 19.1.2.1 Electricity services.
 - 19.1.2.2 Water services.
 - 19.1.2.3 Sanitation services.
 - 19.1.2.4 Refuse removal, refuse dumps and solid waste disposal services.
 - 19.1.2.5 Municipal Health Services.

19.1.2.6 Municipal Roads.

19.1.2.7 Public Places.

19.1.2.8 Cemeteries.

19.1.3 Section 14(2) of the MFMA authorizes the Council to decide on reasonable grounds during a council meeting that is open to the public, whether a capital asset is needed for the provision of the minimum level of basic municipal services or not so needed, and to consider the fair market value of the capital asset and the economic and community value to be received in exchange for a transfer of ownership of the capital asset. The SCM Policy already make ample provision for the disposal of movable assets of the municipality that are redundant, and it is therefore deemed necessary to only provide for a procedure to obtain Council resolution on the possible transfer of land and buildings of the municipality in accordance with section 14(2) of the MFMA. To enable Council to take an informed decision on the possible transfer of ownership of its land and buildings as provided for in section 14(2) of the MFMA, the Property Management Unit must compile a List of all Municipal Land and Buildings which will contain at least the following information in respect of each piece of land and building:

Part A. Land and Buildings needed for Basic Municipal Services (not transferable)

| Description | Zoning | Fair market & economic value |
|-------------|--------|------------------------------|
| | | |
| | | |

Part B. Land and Buildings not needed for Basic Municipal Services (transferable)

| Description | Zoning | Fair market & economic value |
|-------------|--------|------------------------------|
| | | |
| | | |

19.1.4 The above list must be submitted to Council as soon as possible for consideration and approval. After approval of the list by Council in compliance with section 14(2) of the MFMA, the administration must ensure that:

19.1.4.1 the land and buildings contained in Part A of the List of Municipal Land and Buildings is maintained properly, and that ownership thereof is not transferred unless Council has once again conducted a section 14(2) enquiry.

19.1.4.2 in the event of the transfer of ownership of land and buildings contained in Part B of the List of Municipal Land and Buildings, the process is fair, equitable transparent, competitive and consistent with the MFMA and the municipality's SCM Policy.

19.1.5 The List of Municipal Land and Buildings must be maintained and regularly updated by the Property Management Unit, and the List must be submitted to Council on a quarterly basis for consideration and approval.

19.2 Role of the Municipal Manager in the disposal of assets

19.2.1 The Municipal Manager must ensure that:

19.2.1.1 immovable capital assets are sold at market related prices, except when there is public interest or the plight of the poor demands otherwise.

19.2.1.2 movable capital assets are sold either by way of formal written quotation, a competitive bidding process, auction or at market related prices, whichever is the most advantageous to the Municipality.

23.14.12 Alternatively the appointed service provider shall be issued out with an appointment letter.

23.14.13 Contract management shall prepare service level agreement to be entered into between the Municipality and the appointed service provider, where applicable.

23.15.9 The departments shall be required to monitor the contract and prepare monthly performance reports to contract management.

CHAPTER 4: MISCELLANEOUS MATTERS

24. PROHIBITION ON AWARDS TO PERSONS WHOSE TAX MATTERS ARE NOT IN ORDER

- 24.1 Service providers whose tax matters are not known or have not been declared to be in order by the South African Revenue Services are not eligible to be awarded business by the Municipality. Tax compliance status is a mandatory requirement for all procurement mechanisms listed in this Policy.
- 24.2 The Municipality may not make any award to a person whose tax matters have not been declared by the SARS to be in order. It is the service provider's responsibility to provide the Municipality with paper tax clearance certificate, tax clearance reference number and tax compliance status pin.
- 24.3 It shall be the responsibility of the bidder to provide the Municipality with the paper tax clearance certificate, tax clearance reference number and tax compliance status pin together with the bid document on the closing date of the bid.
- 24.4 In the case of a tender awarded to a partnership or joint venture, paper tax clearance certificate, tax clearance reference number and tax compliance status pin for each of the partners or individual parties in the joint venture must be submitted together with the bid on the closing date of the bid.
- 24.5 Where the recommended bidder is not tax compliant, the bidder should be notified of their non-compliant status and the bidder shall be requested to submit to the municipality, within 7 working days, written proof from SARS of their tax compliance status / tax compliance pin or proof from SARS that they have made an arrangement to meet their outstanding tax obligations. The proof of tax compliance status submitted by the bidder to the municipality shall be verified via the CSD or SARS e-Filing.
- 24.6 In the case where the bidder tax status is non-complaint, or the bidder fails to submit. SARS tax compliance pin within seven (7) working days the following will apply:
- 24.6.1 For formal written quotations above R2000.00 up to R750 000.00 (VAT inclusive), the General Manager: Supply Chain Management shall reject a formal written quotation submitted by the bidder who scored highest procurement points, if such bidder failed to provide proof of tax compliance status within the stipulated timeframe as stated on paragraph 24.6.

- 24.6.2 For bids above R750 000.00 (VAT inclusive) the Chairperson of the Bid Adjudication Committee shall reject a bid submitted by the bidder who scored highest procurement points, if such a bidder fails to provide proof of tax compliance status within the stipulated timeframe on paragraph 24.6.
- 24.6.3 The General Manager: Supply chain management / Chairperson of the bid adjudication committee shall consider the bidder who scored the second highest procurement points and if the second highest bidder also failed to comply with tax compliance status, the third highest bidder shall be considered until tax compliant service provider is identified.
- 24.6.4 The CSD and tax compliance status pin are the approved methods to be used to approve tax compliance as the SARS no longer issue tax clearance certificate.
- 24.7 Contracts may be cancelled by the Municipality if a person or entity deregisters for VAT purposes after obtaining business from the Municipality, without advising the Municipality prior to deregistration accordingly. Should the Municipality establish that a service provider has deregistered after the contract award and is claiming VAT; the Municipality shall be entitled to summarily cancel the contract, prohibit the offender from doing future business with Municipality and/or lay criminal charges against the offender.

25. PROHIBITION ON AWARDS TO PERSONS IN THE SERVICE OF THE STATE

- 25.1 The Municipality may not make any award to and conclude a contract with a person:
- 25.1.1 who is in the service of the state.
- 25.1.2 if that person is not a natural person, of which any director, manager, principal shareholder or stakeholder is a person in the service of the state; or
- 25.1.3 who is an advisor or consultant contracted with the municipality or municipal entity on the same contract that he/she is managing.
- 25.2 The service provider is prohibited from effecting amendments to the company profile as stipulated in 25.1 above after the award of the tender for the duration of the contract period.
- 25.3 In the event that the service provider fails to comply with the above provision, the Municipality will enforce the Penalty Clause as outlined in paragraph 23.9 above.

26. AWARDS TO CLOSE FAMILY MEMBERS OF PERSONS IN THE SERVICE OF THE STATE

- 26.1 The Municipality does not encourage awarding contracts by employees in decision-making positions to close family members, to this extent the Municipality requires of all employees to make full disclosures of such businesses owned by close family members. It is further expected that such individuals must declare such a potential conflict of interest and recuse themselves from the meeting in which decisions are taken regarding the awarding of such businesses.

- 26.2 The Municipal Manager must ensure that notes to the annual financial statements of a municipality must disclose particulars of any award of more than R2 000 to a person who is a spouse, child or parent of a person in the service of the state, or has been in the service of the state in the previous twelve months, including:
- 26.2.1 the name of that person.
- 26.2.2 the capacity in which that person is in the service of the state; and
- 26.2.3 the amount of the award.

27. ETHICAL STANDARDS

- 27.1 All employees of the Municipality must comply with the provisions of the Code of Conduct for Staff Members contained in Schedule 2 to the Systems Act, and the National Treasury's Code of Conduct for Supply Chain Management Practitioners and other Role Players involved in Supply Chain Management as contained in Annexure A.

29. RESOLUTION OF DISPUTES, OBJECTIONS, COMPLAINTS AND QUERIES

- 29.1 The Municipal Manager may appoint an independent and impartial person not directly involved in the supply chain management processes of the Municipality:
- 29.1.1 To assist in the resolution of disputes between the municipality and other persons regarding:
- 29.1.1.1 Any decisions or actions taken by the municipality or municipal entity in the implementation of its supply chain management system.
- 29.1.1.2 Any matter arising from a contract awarded in the course of its supply chain management system; or
- 29.1.1.3 To deal with objections, complaints or queries regarding any such decisions or actions or any matters arising from such contract.
- 29.2 A parent municipality and a municipal entity under its sole or shared control may for these purposes appoint the same person.

- 29.3 The Municipal Manager, or another employee designated by him, is responsible for assisting the appointed person to perform his or her functions effectively.
- 29.4 The person so appointed must:
- 29.4.1 strive to resolve promptly all disputes, objections, complaints or queries received; and
- 29.4.2 submit monthly reports to the Municipal Manager on all disputes, objections, complaints or queries received, attended to or resolved.
- 29.5 A dispute, objection, complaint or query may be referred to the relevant Treasury if:
- 29.5.1 the dispute, objection, complaint or query is not resolved within 60 (sixty) days; or
- 29.5.2 no response is received from the Municipality within 60 (sixty) days.
- 29.6 If the Free State Provincial Treasury does not or cannot resolve the matter, the dispute, objection, complaint or query may be referred to the National Treasury for resolution.

30. CONTRACTS PROVIDING FOR COMPENSATION BASED ON TURNOVER

- 30.1 If a service provider acts on behalf of the Municipality to provide any service or act as a collector of fees, service charges or taxes and the compensation payable to the service provider is fixed as an agreed percentage of turnover for the service or the amount collected, the contract between the service provider and the Municipality must stipulate:
- 30.1.1 a cap on the compensation payable to the service provider; and
- 30.1.2 that such compensation must be performance based.

31. AVOIDING ABUSE OF SUPPLY CHAIN MANAGEMENT SYSTEM

- 31.1 The Municipal Manager:
- 31.1.1 Must take all reasonable steps to prevent abuse of the supply chain management system.
- 31.1.2 Investigate any allegations against an employee or other role player, of corruption, improper conduct or failure to comply with the supply chain management system. If justified, the Municipal Manager must take steps against such employee or other role player and inform the provincial treasury of such steps and report any conduct that may constitute a criminal offence to the South African Police Service.
- 31.1.3 Must check the National Treasury's database prior to awarding any contract to ensure that no recommended bidder, nor any of its directors are listed as companies or persons prohibited from doing business with the public sector.

- 31.1.4 Must reject any bid from a service provider:
 - 31.1.4.1 who fails to provide written proof from the South African Revenue Service that that supplier either has no outstanding tax obligations or has made arrangements to meet such outstanding tax obligation.
 - 31.1.4.2 who has any outstanding obligations in respect of municipal fees, levies and other charges as prescribed by the Municipality, or has not made any arrangements with the Municipality to meet such outstanding obligations.
 - 31.1.4.3 who during the last 5 (five) years has failed to perform satisfactorily on a previous contract with the municipality or municipal entity or any other organ of state after written notice was given to that bidder that performance was unsatisfactory.
- 31.1.5 May disregard the bid of any bidder if that bidder, or any of its directors:
 - 31.1.5.1 has abused the national or provincial department's, or the Municipality's supply chain management system.
 - 31.1.5.2 has committed fraud or any other improper conduct in relation to such system.
- 31.1.6 Must inform the relevant provincial treasury of any action taken in terms of this paragraph.
- 31.1.7 May cancel a contract awarded to a person if:
 - 31.1.7.1 the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract; or
 - 31.1.7.2 an employee or other role player committed any corrupt or fraudulent act during the bidding process or the execution of the contract that benefited that person.
- 31.1.8 Must reject the bid of any bidder if that bidder or any of its directors:
 - 31.1.8.1 has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system.
 - 31.1.8.2 has been convicted for fraud or corruption during the past five years.
 - 31.1.8.3 has willfully neglected, reneged on or failed to comply with any government, municipal or other public sector contract during the past five years; or
 - 31.1.8.4 has been listed in the Register for Tender Defaulters In terms section 29 of the Prevention and Combating of Corrupt Activities Act (No 12 of 2004).

32. NATIONAL INDUSTRIAL PARTICIPATION PROGRAM (NIPP)

THE NATIONAL TREASURY

MANGAUNG METROPOLITAN MUNICIPALITY

CODE OF CONDUCT FOR SUPPLY CHAIN MANAGEMENT PRACTITIONERS AND OTHER ROLE PLAYERS

In accordance with regulation 46(4) and 46(5) of the Local Government Municipal Finance Management Act, 2003: Municipal Supply Chain Management Regulations, the supply chain management policy of a municipality is required take into account the National Treasury's code of conduct for supply chain management practitioners and other role players. Alternatively, a municipality may adopt the National Treasury code of conduct. When adopted, such code of conduct becomes binding on all officials and other role players involved in the implementation of the supply chain management policy of the municipality.

The purpose of this Code of Conduct is to promote mutual trust and respect and an environment where business can be conducted with integrity and in a fair and reasonable manner.

General Principles

The **municipality** commits itself to a policy of fair dealing and integrity in the conducting of its business. Officials and other role players involved in supply chain management (SCM) are in a position of trust, implying a duty to act in the public interest. Officials and other role players should not perform their duties to unlawfully gain any form of compensation, payment or gratuities from any person, or provider/contractor for themselves, their family or their friends.

Officials and other role players involved in SCM should ensure that they perform their duties efficiently, effectively and with integrity, in accordance with the relevant legislation, policies and guidelines. They should ensure that public resources are administered responsibly.

Officials and other role players involved in SCM should be fair and impartial in the performance of their functions. They should at no time afford any undue preferential treatment to any group or individual or unfairly discriminate against any group or individual. They should not abuse the power and authority vested in them.

Conflict of interest

An official or other role player involved with supply chain management –

- (i) must treat all providers and potential providers equitably.
- (ii) may not use his or her position for private gain or to improperly benefit another person.
- (iii) may not accept any reward, gift, favour, hospitality or other benefit directly or indirectly, including to any close family member, partner or associate of that person, of a value more than R350.
- (iv) must declare to the accounting officer details of any reward, gift, favour, hospitality or other benefit promised, offered or granted to that person or to any close family member, partner or associate of that person.

- (v) must declare to the accounting officer details of any private or business interest which that person, or any close family member, partner or associate, may have in any proposed procurement or disposal process, or in any award of a contract by the **municipality**.
- (vi) must immediately withdraw from participating in any manner whatsoever in a procurement or disposal process or in the award of a contract in which that person, or any close family member, partner or associate, has any private or business interest.
- (vii) must declare any business, commercial and financial interests or activities undertaken for financial gain that may raise a possible conflict of interest.
- (viii) should not place him/herself under any financial or other obligation to outside individuals or organizations that might seek to influence them in the performance of their official duties; and
- (ix) should not take improper advantage of their previous office after leaving their official position.

Accountability

Practitioners are accountable for their decisions and actions to the public.

Practitioners should use public property scrupulously.

Only accounting officers or their delegates have the authority to commit the **municipality** to any transaction for the procurement of goods and / or services.

All transactions conducted by a practitioner should be recorded and accounted for in an appropriate accounting system. Practitioners should not make any false or misleading entries into such a system for any reason whatsoever.

Practitioners must assist the accounting officer in combating fraud, corruption, favoritism, and unfair and irregular practices in the supply chain management system.

Practitioners must report to the accounting officer any alleged irregular conduct in the supply chain management system which that person may become aware of, including.

- (i) any alleged fraud, corruption, favoritism or unfair conduct.
- (ii) any alleged contravention of the policy on inducements, rewards, gifts and favours to municipalities or municipal entities, officials or other role players; and
- (iii) any alleged breach of this code of conduct.

Any declarations made must be recorded in a register which the accounting officer must keep for this purpose. Any declarations made by the accounting officer must be made to the **mayor** who must ensure that such declaration is recorded in the register.

Openness

Practitioners should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only if it is in the public interest to do so.

Confidentiality

Any information that is the property of the **municipality** or its providers should be protected at all times. No information regarding any bid / contract / bidder / contractor may be revealed if such an action will infringe on the relevant bidder's / contractor's personal rights.

Matters of confidential nature in the possession of officials and other role players involved in SCM should be kept confidential unless legislation, the performance of duty or the provision of law requires otherwise. Such restrictions also apply to officials and other role players involved in SCM after separation from service.

Bid Specification / Evaluation / Adjudication Committees

- 6.1 Bid specification, evaluation and adjudication committees should implement supply chain management on behalf of the **municipality** in an honest, fair, impartial, transparent, cost-effective and accountable manner.
- 6.2. Bid evaluation / adjudication committees should be familiar with and adhere to the prescribed legislation, directives and procedures in respect of supply chain management in order to perform effectively and efficiently.
- 6.3 All members of bid adjudication committees should be cleared by the accounting officer at the level of "CONFIDENTIAL" and should be required to declare their financial interest annually.
- 6.4 No person should:
 - 6.4.1 interfere with the supply chain management system of the **municipality**; or
 - 6.4.2 amend or tamper with any price quotation / bid after its submission.

(xx) Combative Practices

Combative practices are unethical and illegal and should be avoided at all costs. They include but are not limited to:

- (i) suggestions to fictitious lower quotations.
- (ii) reference to non-existent competition.
- (iii) exploiting errors in price quotations / bids.
- (iv) soliciting price quotations / bids from bidders / contractors whose names appear on the Register for Tender Defaulters.
