

LAUNCH OF THE ELECTRONIC INDIGENT MANAGEMENT SYSTEM

'A smarter, more efficient way to manage our indigent services'

Mangaung Metro Municipality will be launching the implementation of its **(ERP) Electronic Indigent Management System**. This system will improve the efficiency of the indigent management process by reducing turnaround times and enhancing the **accuracy, reliability, integrity and auditability** of the municipal indigent register. The system is designed to ensure that qualifying and deserving indigent households are correctly identified and that indigent benefits are allocated to beneficiaries who meet the requirements of the approved Indigent Policy.
